## **II. COMMENTARY BY THE CEC, FINANCE AND ECONOMIC PLANNING**

It is my pleasure to present the County Government of Bomet financial statements for the quarter ended 30<sup>TH</sup> June 2019. The financial statements present the financial performance of the County executive over the past quarter.

The promulgation of the Constitution of Kenya, 2010 under Chapter 11 ushered Kenya in a new system of governance, replacing the centralised system with a devolved system of governance. The devolved system of governance consists of the National Government and 47 County Governments.

### **Financing of the County Governments**

Article 202 of the Constitution of Kenya provides that revenue raised nationally shall be shared equitably among the National Government and the County Governments. Each County Government's equitable share of revenue raised nationally, is determined yearly through the County Allocation of Revenue Act (CARA). The revenue sharing formula is developed by the Commission on Revenue Allocation and approved by Parliament in accordance with Article 217 of the Constitution.

The County also finances its operations through own generated revenues. These are revenues collected within the County. The key local revenue sources for Bomet County included business permits, land rates, business plan approval, advertising fees, cesses and various other administrative charges.

The County continues to explore new and innovative ways of increasing its local revenue collections. Some of the steps that the County has taken towards improving its revenue collections include:

- Automation of all revenue streams
- Strict enforcement of Finance Act
- Capacity building
- Timely enactment of Finance Act
- Increasing the tax base.
- Updating of valuation roll

## **Financial Performance**

### **a) Payments**

Our total expenditure for the quarter amounted to **kshs 3,021,578,210** KShs 1,324,931,141 was spent on development expenditure while KShs 1,696,647,069 was spent on recurrent expenditure.

### **b) Cash flows**

In the quarter ended 30<sup>th</sup> June 2019, we have not had many liquidity disruptions despite the delays by the National Treasury in disbursement of cash.

### **c) Accounts receivables**

Imprest management is a critical area of focus in Bomet County Government. Our aim is to adhere to the PFM regulations on imprest management. We appreciate that there is still room for improvement in this area. The main challenge has been delays from some staff to account for their imprests on time. Going forward, we will place more emphasis on complying with the PFM regulations with regards to imprests.

### **d) Pending bills**

Our focus as a County is to settle the bills as soon as possible. In every budget cycle, we ensure that part of the allocations is towards settlement of old outstanding pending bills.

### **e) Fixed assets**

Bomet County Government has made significant investments in fixed assets since coming into office in 2013. Additionally, we inherited some assets from the defunct municipal council. We are in the process of developing a comprehensive asset management policy. The policy will among other things incorporate physical verification of all assets, valuation of assets, depreciation, tagging of assets and maintenance of an asset register.

## **Operational performance**

The County's operations are structured in terms of departments which are headed by a County Executive Committee member. For seamless service delivery, all departments have to work in unison and synergize.

Despite the notable achievements, we have experienced some challenges during the quarter. These include:

- 1) Low revenue collection –We are exploring ways of boosting revenue collection.

- 2) We have also experienced challenges with IFMIS as a result of down times, inactive modules and poor internet connectivity. This has in some instance delayed payments to suppliers.
- 3) Delays by national treasury in releasing funds

### **Conclusion**

Good progress was made and the momentum has been created to enable County Government of Bomet continue on a trajectory into prosperity. We have identified gaps and areas to improve on in the subsequent quarters.

I take this opportunity to thank H.E. the Governor and the Deputy Governor for their support. I would also want to thank my colleagues, the County Executive Committee Members in charge of other departments who we have worked hand in hand to ensure that Bomet County Government achieves its mission.

I thank all County staff for their continued commitment and dedication through hard work in delivering services to the people of Bomet County.
