

# **APPROVED BUDGET ESTIMATES**

**FY 2018-2019**

**FOR THE**

**COUNTY GOVERNMENT OF BUSIA**

**JUNE, 2018**

## **FOREWORD**

This Budget Estimates for the Financial year 2018/19 have been prepared on the basis of the County Integrated development plan (CIDP), Annual Development Plan (ADP) and County Fiscal Strategy Paper (CFSP) of the financial year 2018/2019, which took into consideration specified strategic policies and priorities as outlined in the departmental priority areas, in line with the Governor's Manifesto, the National Big Four Agenda and Vision 2030.

This budget estimates is aimed at stimulating the general economic growth, while addressing the real issues that affect the lives of people living within Busia County. To achieve this, the County Treasury has recommended strict adherence to the Budget implementation as required by law while pursuing the development agenda of the County.

The Budget outlines key priority areas of concerns, which include among others, the Marginalized and Vulnerable Social Protection through input access programme, Soil Fertility Improvement Project, Agricultural Training and Extension Services, Livestock Resource & Development, Trade Development and Investment, and Tertiary/Vocational Education. Operationalization of County Child Protection Centre, Culture Promotion and Development, Youth Empowerment and Development, Roads Development, Maintenance and Management, Energy Development, Land Administration and Planning, Small Holder Irrigation and Drainage, Infrastructure Development, Water Supply Services and Sewerage, Curative Health Services, Preventive and Promotive Health Services.

The 2018/2019 Budget Estimates lay the foundation for economic prosperity of the County by setting out key priority concerns and consequently high impact programs and projects. Implementation of these programs is therefore expected to accelerate development in the County to reduce the level of poverty, improve on service delivery and conform to national development set targets.

The County Government will put in place structures which will create an enabling environment for the implementation of this budget.

**Hon. Lenard Wanda Obimbira**  
**County Executive Committee Member – Finance, Economic Planning and ICT**

## **ACKNOWLEDGEMENT**

The 2018-2019 Budget Estimates was undertaken by a team of officers who contributed towards the realization of this document. I wish to convey thanks to the county departments and other Agencies' staff for their enthusiastic help and contribution in the preparation of this document. The County Treasury greatly appreciates the officers for their invaluable input during the budget making process.

Special thanks are extended to the officers led by Mr. Elias Abelu Oteba; Mr. Jairus An'gana Oriko, Mr. Hudson Mugendi, Mr. Korir Kelong, Mr. Vincent Asikoye, Ms. Rose Sang, Mr. Benard Onunga, Mr. Isaac Enaga, Mr. Bonface Amwayi, Mr. William Chepkwony, Miss. Cynthia Amaase, Mr. Nicholas Kiema, Mr. Chrisantus Okware Ekesa, Mr. William Picha, Mr. Michael Aderi, Mr. Abdallah Issa Omusugu, Mr. Daniel Teba Emaase and Mr. Paul Atelu, for their due dedication and commitment throughout the data compilation and preparation of this budget document.

Finally, and most important, appreciation is extended to the County Executive Committee, County Assembly and other stakeholders who willingly participated in the budget making by providing valuable information that facilitated the outcome of this document. I expect this document to act as a guide to county government departments while discharging their mandate and enable the general Public to hold the departments accountable.

**Allan Ekweny Omachar**  
**Chief Officer – Finance, Economic Planning and ICT**

## **List of Abbreviations and Acronyms**

ADFP	Agricultural Development Fund Project
A&E	Accident and Emergency
AI	Artificial Insemination
AIA	Appropriation in Aid

## **1. Department of Agriculture and Animal Resources**

### **A. Vision**

A Leading County in Food security and sufficiency for sustained livelihoods

### **B. Mission**

To improve the livelihoods of Busia County residents through the promotion of competitive agriculture, provision of support services while ensuring a sustainable natural resource base.

### **C. Strategic Overview and Context for Budget Intervention**

The Agriculture sector is the main accelerator for the County's economic growth and critical for attainment of the county's economic growth as prioritized under the County Integrated Development Plan (CIDP).

The department consists of four directorates namely: Agriculture, Livestock Production, Veterinary and Fisheries

The sector plays a key role in the overall socio-economic development and transformation of Busia County through promotion of various agricultural technologies. The sector has continued to contribute immensely in the improvement of incomes and livelihoods of the people of Busia.

The directorate of Agriculture is mandated to spearhead agricultural commodity value chain development in the County. In the previous years, the directorate implemented strategic programmes such as crop production management which has transformed farming activities resulting to higher yields. Input access projects have been undertaken whereby farmers have been provided with quality seeds and effective fertilizers hence boosting productivity.

In the Financial Year (FY) 2017/2018, the department distributed maize seeds, planting and top-dressing fertilizer, 6,000 seedlings of macadamia and 22,000 seedlings of tissue culture banana to 3,450 and 5,000 farmers respectively. In addition, lime was applied to a total of 100 acres of land to improve the soil PH

The directorate has a total of 23 tractors which provides ploughing services to the residents at subsidized prices compared to private tractors. Outreach activities were undertaken to

train farmers on effective and efficient farming techniques. The directorate also manages the Agricultural Development Fund which provides credit financial support to the farmers. Under the Fisheries directorate the department is committed to aquaculture development which involves construction of fish ponds in various centres across the county. This has been successful due to rolling out of Input Production Enterprises Support Programme (IPESP) that has seen the establishment of three (3) community and one (1) county owned fish hatcheries, with a total annual production capacity of 2.5 million fingerlings, and 3 cottage fish feed manufacturing plants, whose production capacity is 2,400 metric tons. In addition, 1,000 farmers were trained and inputs provided to 500 farmers to support county wide fish pond projects.

Livestock directorate promotes local poultry and dairy cow farming. 35 incalf heifers and animal feeds were procured and distributed to 35 sampled farmers, each in one of the 35 wards across the county.

The veterinary section rolled out vaccination campaign programme to control livestock diseases: specifically, the foot and mouth disease outbreak; improved Artificial Insemination (AI) services through provision of semen at subsidized costs. The cost of AI services has been reduced by 60% from an average of Kshs 3,000 to the current average of Kshs 1,200.

Despite the improvement in service delivery, the department experienced myriad of challenges. The outbreak of army worm and adverse weather condition greatly affected crop productivity leading to reduced yields by about 40% of the yield expected. Other non-rain dependent programmes progressed well as planned. The macro- economic environment was favourable to the agricultural value chains development.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh. 1,538,238,474. For the FY 2018/19, Ksh. 468,209,207 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 510,650,127 and Ksh. 559,379,140 respectively

## D. Programme Objectives

### CP 1 Administrative Support Services

To facilitate the coordination of programs within the department

### CP 2 Land use and Management

To Promote Prudent Land Management Practices

### CP 3 Crop Production and management

To promote adoption of modern farming technologies and practices

### CP 4 Agricultural Training and Extension Services

To equip agricultural producers and stakeholders with relevant skills and knowledge

### CP 5 Agribusiness and agricultural Value chain Development

To increase the value and quality of agricultural produce

### CP 6 Agricultural Financial and Investment services

To enhance access to affordable credit facilities

### CP 7 Fisheries and Aquaculture Resource Development

To increase quantities of fish and fish products in the county

### CP 8 Livestock Production Development

To increase Livestock production

### CP 9: Veterinary Health Services

To improve animal health

### CP 10 Other Projects

To promote uniformity in development across the county

## E. Summary of Expenditure by Programme 2018/19-2020/21 (Kshs.)

Programme (CP)	Budget Estimate	Projected Estimates	
	2018/2019	2019/2020	2020/2021

#### H. Summary of the Programme Outputs and Performance Indicators

Key Outputs	Key Performance Indicators	Baseline	Targets		
		2017/18	2018/19	2019/20	2020/21
<b>Programme: Administrative Support Services.</b>					
<b>Outcome: Efficient and effective co-ordination of agricultural programmes.</b>					
Improved and high quality services.	% achievement of the set Programme targets	100%	100%	100%	100%
<b>Programme : Fisheries And Aquaculture Resource Development</b>					
<b>Outcome: Increased fish production.</b>					
<b>Sub-Programme: Aquaculture Parks Development</b>					
Aquaculture parks Established	No. of rice paddy's integrated with fish culture	0	15	20	20
	No. of Cluster production Ponds established	14	20	25	30
<b>Sub-Programme: Fish value addition and marketing</b>					
	Fish filleting plant in place	0	1	0	0

-Completed and operational fish filleting plant	Upgraded border fish import and export auction market constructed	0	1	0	0
	No of Hatcheries equipped	0	3	0	0
<b>Sub-Programme: Fish and Livestock Feed production</b>					
<b>Manufacturing plant established</b>	No of policies developed	1	2	1	1
<b>Sub-Programme: Natural Capture Fisheries Development</b>					
<b>Lagoon and Dams Disilted</b>	No of dams across the County Disilted	11	10	0	0
<b>Sub-Programme: Lake Based Aquaculture parks development (Cages).</b>					
<b>Increased caged fish production.</b>	No. of fish cages operating in lake Victoria	80	150	150	150
<b>Sub-Programme: Fisheries Training and Infrastructure Development</b>					
Operational Fisheries Training Centre	No, of structures completed at Wakhungu Training and Fish Breeding Centre.	1	1	0	0
<b>Programme :Livestock Production Development</b>					
<b>Outcome:Improved livestock production and Income</b>					
<b>Sub-Programme: Livestock production Improvement</b>					
Improved Milk Production	Volume of Milk produced (m3)	10,950	13,249	14,573	16,030
Milk coolers procured	No of Milk Coolers Purchased	2	1	1	1
Improved Livestock breeds	No. of new breeds introduced	0	35	35	35

Improved Poultry production	No. of Poultry house constructed	0	3500	3500	3500
	No. of birds supplied	0	5250	5250	5250
<b>Programme: Veterinary Health services</b>					
<b>Outcome: Increased access to quality, reliable and sustainable Veterinary health services</b>					
<b>Sub Programme: Veterinary Disease Control</b>					
Livestock Vaccinated against diseases	No of Animals Vaccinated	0	420,000	640,000	790,000
	No. of vaccination campaigns undertaken.	1	3	3	3
	No of trainings conducted	1	35	35	40
<b>Sub-Programme: Vector Control</b>					
Reduced incidences of Vector borne diseases	No. of Crush pens constructed	0	30	50	70
	No. of litres of Acaricides purchased	200	280	350	420
	No of foot pump purchased for crush pens	0	30	50	70
<b>Sub-Programme: Artificial Insemination Programme</b>					
Improved Animal Breeds	No. of bulls semen purchased.	0	5,250	7,000	7,500

	No. of farmers accessing subsidized A.I Services	2,000	5,250	7,000	7,500
	Litres of hormones purchased under the heat synchronization.	500	2,000	2,000	2,000
	No. of nitrogen tanks for storage of bull semen procured	1	7	7	7
<b>Sub-Programme: Hide and skin Treatment.</b>					
Hides and skin treatment centres established	No. of hides and skin centres established.	0	0	0	0
<b>Sub-Programme: Veterinary Research and Institutional Reforms.</b>					
Strengthened management and governance	No. of laws enacted.	0	0	-	-
	No. of policies developed	0	0	-	-
	No. of published research reports	0	0	0	0
<b>Programme : Crop development and management</b>					
<b>Outcome:Increased Agricultural productivity</b>					
<b>Sub-Programme: Agricultural Inputs support Services</b>					
Improved access to Agricultural Inputs	No of marginalized farmers receiving inputs.	3,000	0	0	0

	No. of acres planted certified seeds.	0	15,000	15,000	15,000
	No. of acres planted with clean seeds	0	15,000	15,000	15,000
	No. of acres planted with inorganic fertilizer	0	20000	20000	20000
<b>Sub Programme: Crop Development</b>					
Soil PH Tested	No. of farms and Soil samples tested for PH	0	8,000	8,000	8,000
Farms limed	No. of acres limed	2,000	3,000	3,000	4,000
Cassava seeds Developed	No. of acres of cassava seed fields available for farmers	2,500	2,100	2,100	2,100
<b>Sub Programme: Crop Protection</b>					
Pesticide availed to farmers	No. of litres of pesticides purchased	1,000	2,000	2,000	2,000
Post harvest grain loss reduced	No. of outlet selling hermetic bags	14	7	7	7
	No. of farmers using hermetic bag technology	0	10,000	10,000	10,000
Enhanced adoption of crop insurance services	.No of farmers (men & Women) undertaking crop insurance.	0	5,000	5,000	5,000
<b>Programme: Agriculture Land use and Management</b>					
<b>Outcome: Increased land acreage under agricultural use</b>					
<b>Sub-Programme: Agricultural Mechanization</b>					
Tractors maintained	No of tractors serviced	16	16	16	16
Farm implements acquired	No. of farms ploughs purchased	16	7	8	9

	No. of Harrows Discs Purchased	0	12	12	11
Increased acreage under cultivation	No of acres ploughed.	4,500	25,000	25,000	25,000
<b>Programme: Agricultural Training and Extension Services</b>					
<b>Outcome: Enhanced adoption of New Farming Technologies</b>					
<b>Sub Programme: Agricultural Training Services</b>					
Farmers services providers trained	No of Trainings held	148	160	170	175
	No. of farmers trained (men, Women,PWD)	0	8000	8500	8750
	No. of service providers trained	0	50	50	50
Operational farmer training Centre	No of hostels completed	2	1	1	0
<b>Sub Programme: Demonstration Farm Development</b>					
Demonstration farms Established	No. Demonstration farms established.	0	8	10	12
<b>Sub programme: Agricultural Extension services</b>					
Enlightened farming Communities.	No of farmers reached	0	3,000	3,150	3,400
	No. of demonstrations held	0	150	180	200
	No of field days held	0	10	10	12
<b>Programme: Agricultural Financial Support Services</b>					
<b>Outcome: Increased uptake of Credit by Farmers</b>					
<b>Sub-Programme: Agricultural Credit Support Services</b>					

Improve access to Credit	No. of farmers accessing credit.	675	240	360	370
	Amount disbursed (Millions)	60	20	44	48
<b>Programme: Agribusiness and Agricultural Value Chain Development</b>					
<b>Outcome: Increased and sustained income to farmers</b>					
<b>Sub-Programme: Value addition</b>					
Cassava processing plant equipped	Cassava processing plant equipped	0	1	0	0
Standardized agricultural products for markets	No. of Products standardized by KEBS	0	2	2	1

## **2. Department of Trade, Cooperatives and Industrialization**

### **A. Vision**

A leading department in the promotion of Trade, Cooperative movement and investment

### **B. Mission**

To provide high quality services through efficient and effective coordination, formulation, and implementation of policies and programs and create an enabling environment that encourages investment while exploiting the cooperative movement.

### **C. Strategic Overview and Context for Budget Intervention**

The department has four directorates namely: Trade, Cooperatives, Cooperative Enterprise Development Fund, and Weights and Measures which ensures its effective and efficient service delivery.

The department's mandate is vast and covers matters of trade development, cooperative development and weight and measures. It is a leading department in promotion of trade and investments. Creates an enabling environment that promotes and encourages investment while exploiting the cooperative movement

The overall objective of the directorate of trade is to promote self-reliance amongst the citizens of Busia County, enhancement of Business, job and wealth creation through diversification, innovation, value addition, information sharing, market linkages and trade infrastructural support.

Through the directorate of trade, the department oversees and promotes cross-border trade through cross-border committees that were formed after establishment of Cross Border Traders Association in FY 2016/17. This ensures seamless movement of goods and services across the international border and across inter -county borders. It provides traders with requisite trade information to facilitate business networks.

In FY 2017/18, the directorate developed The Busia County Trade Development Revolving Fund Act 2017 to promote development of small and micro enterprises and to set up an institutional framework for coordinating loan disbursements and will be rolled out in FY 2018/19.

The Busia County Trade Development Act 2017 was also enacted to provide a mechanism for streamlining collection of taxes, charges, fees and for the grant of trade and related licenses, to provide for promotion, development and regulation of trade in the county. This will enhance the revenue collected in the various sources.

Fresh produce markets have been established in all the sub counties to enhance hygienic trade in perishable goods among the citizens. In FY 2018/19, the department will continue to rehabilitate these markets to maintain a conducive environment for business activities. Further, the department will spearhead construction of market stalls across the various wards.

The Cooperatives directorate is charged with the onus of initiating formation of cooperatives and training of members on running of the outfits. It also audits the cooperatives to ensure smooth running.

The Busia Cooperative Enterprise Fund Provides affordable credit to cooperatives for group projects or for onward lending hence increasing investment by the beneficiaries who contribute significantly to the economic growth of the county. The instituted Trade Development Revolving Fund is set to provide soft loans to individual traders

This directorate of weights and measures is charged with the mandate of ensuring fair trade practices are kept. In FY 2017/18, the directorate did acquire calibration equipment which will ensure attainment of the objective.

To undertake these programmes, the 2018/19- 2020/2021 MTEF estimates for the sector are projected to be Ksh 705,395,751. For the FY 2018/19 Ksh. 208,607,961 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh 236,399,157 and Ksh. 260,388,633 respectively

#### **D. Programmes and their Objectives**

##### **CP 11: Administrative Support Services**

To facilitate the implementation of programs within the department

##### **CP 12: Trade Development**

To promote growth of business enterprises

##### **CP 13: Fair Trade Practices**

To ensure conformity to legal Metrology requirements

#### **CP 14 Cooperative Developments**

To establish a strong cooperative movement

#### **CP 14: Other Projects**

To ensure equitable distribution of resources across the county

### **E. Summary of Expenditure by Programme 2018/19-2020/21 (Kshs.)**

<b>Programme (CP)</b>	<b>Budget Estimate</b>	<b>Projected Estimates</b>	
	<b>2018/2019</b>	<b>2019/2020</b>	<b>2020/2021</b>

		Number of officials Trained	0	0	120	300

### **3. Department of Education and Vocational Training**

#### **A. Vision**

A globally competitive education, training and innovation for sustainable development

#### **B. Mission**

To provide, promote and coordinate quality education and training, integration of science, technology, and innovation in sustainable socio-economic development process.

#### **C. Performance Overview and Background for Programmes**

The department comprises of the following two directorates; Directorate of Early Childhood Education and the Directorate of Vocational Training. The sectors main objective is to offer quality, accessible and equitable education with the aim of improving enrolment and completion rate at all levels of Learning.

The department through the ECDE directorate endeavors to create child friendly learning environment by upgrading ECDE centers to model ECDE status. This will ensure provision of quality basic education which is critical in child development.

Since inception of devolution in FY 2013/2014 to date, 230 ECDE classrooms with a capacity of 30 children each have been initiated and so far, over 95% of the classrooms are complete and in use. The department intends to construct additional 25 classrooms across the county in the FY 2018/19 and the Medium Term while at the same time renovating the dilapidated ECDE classrooms constructed earlier.

Quality education is dependent on sufficient human, financial and physical resources. To ensure sufficient human resources, the department employed 439 ECDE teachers (140 diplomas and 299 certificates) in FY 2016/17. In the medium term, the department intends to employ another 450 ECDE teachers and 35 ward ECDE coordinators to enhance coordination of ECDE activities at the ward level. To address the problem of inadequate physical resources (teaching and learning material), the department has allocated funds for equipping ECDE centers and it also intends to introduce capitation to ECDE centers based on pupil enrolment.

Development of the county's economy greatly depends on human resource that is well equipped with appropriate skills and training that can manage to steer growth of industries and other sectors. The directorate aims to equip the youth with relevant skills for employment and entrepreneurship and make them drivers of change in their own lives through vocational training programmes. It is in this regard therefore that the department is working towards equipping the Vocational Training Centres with relevant tools and equipment and employing qualified personnel to impart required skills to the youth.

In FY 2016/17, 50 instructors in various trades were recruited and posted to VTCs across the county as per their needs while the County intends to recruit more instructors in the medium term. In the FY 2017/18, the National Treasury allocated the county Kshs 63,706,036 Conditional Grant for Rehabilitation and Development of Youth Polytechnics while in FY 2018/19 the county expects to receive Kshs 61,960,000.

The department will introduce a Subsidized Youth Polytechnic Tuition to increase enrolment, equip and help in administration of all Vocational Training Centres.

Supportive measures such as disbursement of Bursaries and Busia County Education Revolving Scheme are being effected to see off many needy students in Vocational Training Centres, Secondary schools, tertiary colleges and universities get education which will definitely brighten their future and lead to a prosperous County. A Bill to effectively operationalize the Education Revolving Scheme which was launched in the FY: 2015/2016 was finalized.

In order to increase enrolment in VTCs, the department is planning to provide grants to all trainees in registered VTCs in the county. In 2018/2019, the department is targeting to offer grants to 3500 trainees. In addition, the department intends to upgrade one youth polytechnic in each sub county to a model VTC.

Further, to support human capital development, the department intends to introduce scholarships for students admitted to study a degree course in engineering, law and medicine courses in a recognized university so as to enhance human capital development in critical fields.

The department will continue to emphasize on quality assurance function which is essential in ascertaining the quality of curriculum delivery in both ECDE and VTCs.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 2,410,014,968. For the FY 2018/19, Ksh. 646,336,923 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 848,910,164 and Ksh. 914,767,881 respectively

#### **D. Programme Objectives**

##### **CP: 15 Administrative Support Services**

To facilitate the coordination of Education programmes within the department

##### **CP: 16 Early Childhood Development Education (Basic Education)**

To ensure all boys and girls below five years access quality ECDE Education

##### **CP: 17 Technical/Vocational Training Developments**

Develop and promote quality and relevance in Technical and Vocational Training for skills development.

##### **CP: 18 Education Support**

Provide Affordable and Quality Education and Training

##### **CP: 19 Other Projects**

To promote uniformity in development across the county

#### **E. Summary of Expenditure by Programme 2018/19-2020/21 (Kshs.)**

<b>Programme (CP)</b>	<b>Budget Estimates</b>	<b>Projected Estimates</b>	
	<b>2018/2019</b>	<b>2019/2020</b>	<b>2020/2021</b>

#### **4. Department of Finance, Economic Planning & ICT**

##### **A. Vision**

"A prosperous county committed to prudent financial management and economic planning".

##### **B. Mission**

“To provide high quality financial, economic and advisory services through efficient and effective fiscal planning, resource mobilization, budget administration, coordination, formulation and implementation of policies and programs for accelerated, equitable and sustainable development for the citizens of Busia County”.

##### **C. Performance Overview and Background for Programmes**

The department consists of six directorates; Budget and Economic Planning, Accounting services, Audit, Supply chain management, Revenue and ICT which are committed to attaining high levels of financial reliability and sustainability, high quality service delivery and optimum structural, institutional and human capacity through transparency and accountability, integrity, professionalism, creativity and innovation, citizen participation, team spirit and patriotism.

The department is guided by the following key principles of service delivery; transparency and accountability, integrity, professionalism, creativity and innovation, citizen participation, team spirit and patriotism.

Revenue automation is one of the major projects being implemented by the department. It was initiated in FY 2015/16 in partnership with Strathmore University targeting to streamline all revenue sources thus boosting revenue collection and is intended to be completed in FY 2018/19.

The department will continue to spearhead resource mobilization, prudent resource management and accountability for quality service delivery and implementation of projects.

The sector intends undertake the following projects so as to effectively and efficiently deliver its services to the public; Install structured cabling for the referral hospital and sub counties on ICT, GIS resource mapping for revenue automation, ERP phase two, Increase

MPLS to sub counties, Sinology backup, Biometric access and alarm, Firewall for security system, installation of CCTV appliances for security purposes at Busia County Referral Hospital and the county treasury and rolling out an integrated Revenue Collection and Management Systems

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 3,421,236,633. For the FY 2018/19, Ksh. 902,560,032 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 1,199,369,810 and Ksh. 1,319,306,791 respectively.

#### **D. Programme Objectives**

##### **CP 20: Administrative Support Services**

Improve Efficiency in co-ordination of service delivery to county departments

##### **CP 21: Financial Management, control and Development Services**

To enhance public financial management in the County

##### **CP 22: Information Technology Services**

To improve ICT Services in the County

##### **CP 23: Other Projects**

To enhance uniformity in development across the County

## **5. Department of Youth, Culture, Sports, Tourism and Social Services**

### **A. Vision**

A socially self-driven and empowered community

### **B. Mission**

To mobilize the Busia Community for sustainable social protection, talent nurturing, heritage preservation and creating equal opportunities for children, Youth, women, PWDs, older persons and other vulnerable groups for a holistic growth and development.

### **C. Performance Overview and Background for Programmes**

The department consists of seven directorates namely; Youth, Sports, Children, Tourism, Culture, Social services and Alcoholic Drinks Control. It is mandated to mobilize Busia community for sustainable social protection, talent nurturing, and creating equal opportunity for youth, women, PLWDs, older persons and other vulnerable groups for the holistic growth and development.

In FY 2017/18, the department implemented various capacity building, empowerment and safety net programs which are key in breaking the cycle of poverty among the vulnerable members of the community who include: children, youth, women, people living with disability and the elderly.

In the Youth sector, the youth have been sensitized on health issues such as HIV/AIDS, crime, drugs and substance abuse. Entrepreneurship trainings were carried out to impart the youth with knowledge and skills on diversified investment opportunities.

The directorate of Social Services developed the Grants Policy, purchased assistive devices, tools and equipment for Persons Living with disabilities.

The department leads the county in marking the celebration of important national and international days (International Women's Day, International Day for Older Persons and International Day of Persons with Disabilities)

The directorate of Alcoholic Drinks Control did set up liquor licensing structures in all the seven sub counties, and an administrative review committee. It also operationalized The

Busia Alcoholic Drinks Control and Regulations Act, and printed licensing books and materials to aid in revenue collection.

Through the sport's directorate, the department facilitated Kenya Inter-County Sports Activities (KICOSCA) 2018. This enhances cohesion and integration of various counties.

It also initiated the equipping and operationalization of youth empowerment centres at Butula, Agenga and Kamolo in Teso North Sub-county. It also facilitated purchase of land for establishing community cultural Centres at Kakapel in Teso North and Nambale.

The key priority programmes for the department are distributed across all sections within the department and they include; Development of County stadia, promotion and development of sports across the county, Operationalization of Child Protection Centres, Youth entrepreneurship and employability incubation program, equipping and operationalization of established youth empowerment Centres, Constructing, refurbishing and equipping community support Centres and community Cultural Centres, Promotion and development of local tourism in the county, Social assistance and development to older persons and PLWDs and to operationalize Alcoholic Drinks and Drug abuse Control measures.

In FY 2018/19, the sector aims at completing initiated programmes in various localities while establishing new projects in others areas across the county so as to ensure equitable and uniform economic growth and development.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 609,198,793. For the FY 2018/19, Ksh. 253,944,462 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 169,169,300 and Ksh. 186,085,031 respectively

#### **D. Programme Objectives**

##### **CP 24: Administrative Support Services**

Efficient, Effective and co-ordinated service delivery

##### **CP 25: Social Assistance and Development to Older Persons and PWD**

To Self-Sustain Older Persons and PWD'S and Allow them participate in Economic Development

**CP 26: Youth Empowerment and Development**

To promote, Coordinate and Enhance Youth Participation in Development Initiatives

**CP 27: Promotion and Development of sports**

To Create an Enabling Environment for Development and Management of Sporting and Recreational Activities

**CP 28: Child Care and Protection**

To ensure there is proper Child Care and Protection in the County

**CP 29: Culture Promotion and Development**

To develop, promote and preserve the Cultural Heritage of Busia County

**CP 30: Promotion and Development of Local Tourism in the County**

To explore unexploited local tourism potential

**CP 31: Alcoholic Drinks and Drug Abuse Control**

To control the production, distribution, sale and consumption of alcoholic drinks and drugs in Busia county

**CP 32: Other Projects**

To promote grass root development for equity across the county

**E. Summary of Expenditure by Programme 2018/19-2020/21 (Kshs.)**

## **6. Department of Public Works, Roads, Transport and Energy**

### **A. Vision**

Attain and sustain standard road network and public infrastructure for sustainable development

### **B. Mission**

Provide an enabling and supportive environment for investments in the County

### **C. Performance Overview and Background for Programmes**

The department is made up of four directorates namely; Roads, Public works, Transport and Energy.

It is mandated to provide an enabling and supportive environment for investment in the county and sustain standard road network and public infrastructure for sustainable development. It provides both technical and supervisory assistance to other departments in implementation of projects.

The County's total road net work is 1,500 km. Out of which 182km is bitumen standard, 377.5 km is gravel standard and 940.5km is earth road.

Through the department, the county has realized tremendous improvement in infrastructure and in particular construction of bridges and box culverts across the entire county, opening up of new roads, murraming, gravelling and tarmacking as well as periodic road maintenance. This has effectively led to increased accessibility to and from the markets, health and learning facilities; street lighting of major towns for improved security and embracing a 24 hour economy.

The key priorities and objectives for the department under Roads, Public Works and Transport for the FY 2018/19 include; Upgrading county roads to bitumen standards, Completion of Bus park project, Maintenance of roads construction equipment, Routine Maintenance of County roads, Construction of major drainage (Bridges & Box Culverts) and Road safety Campaign Programme. This will increase accessibility to areas of socio economic importance, reduce travel times and vehicle operating costs.

Under the directorate of energy, the department's priorities include; Maintenance of electrical works, enhancement of Street lighting and Rural Electrification and exploration of renewable energy resources such as solar energy and biomass.

The department will endeavor in directing strategies aimed at provision of cost effective public utility infrastructure facilities and services in the areas of transport.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 1,947,962,471. For the FY 2018/19, Ksh. 725,128,144 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 584,203,489 and Ksh. 638,630,838 respectively

#### **D. Programme Objectives**

##### **CP 33: General Administration and support services**

To provide overall management and central administrative services

##### **CP 34: Development and Maintenance of Roads**

To increase the kilometers of roads upgraded to gravel and bitumen standards

##### **CP 35: Energy Development**

To optimize the utilization of renewable energy resources available within the county towards achieving Sustainability

##### **CP 36: Alternative Transport Infrastructure Development**

To connect Busia County to the rest of counties and country by air

##### **CP 37: Other Projects**

To promote uniformity in development across the county

#### **E. Summary of Expenditure by Programme 2018/19-2020/21 (Kshs.)**

<b>Purchase of land for oil depot</b>	No. of acres of land	0	0	0	1

## **7. Department of Public Service Management**

### **A. Vision**

To be a benchmark for high performing, dynamic and ethical public service

### **B. Mission**

To facilitate a safe environment for an effective and productive work force that guarantees personal growth and sustainable development.

### **C. Performance Overview and Background for Programmes**

Public Service Management is charged with the responsibility of developing, advising and implementing policies, programs, projects, and initiate activities in its mandated areas of human resource and records management. This is so as to ensure efficiency and effectiveness in public service delivery and hence attainment of County and National goals.

The department conducts performance contracting and performance appraisal of all county staff which have led to improved work performance.

The department is spearheading the process of County ISO Certification to ensure that its processes procedures and documentation are of International Standards. It seeks to digitize the County registry and information system which will pave way for easy retrieval of documents and information.

Key priorities for the department in the FY 2018/19 include; Formulation of Labour relations and Labour Laws complaint policies, employee's sensitization of the same, interpretation and implementation, Identification of training and development gaps of employees and ensuring that the same are bridged and ensuring adherence to Acts of parliament related to employment such as; Retirement Benefits Authority Act/NSSF ACT, The Employment Act, 2007, The occupational Safety and Health Act, 2007, Work Injury Benefit Act, 2007 (WIBA, Industrial Training Act-Training levy.

The department will also see realization of the following objectives; Employee Satisfaction Survey; Which is necessary in order to enhance employee relations and hence avert costly disruption of work by employees through strikes, Establish an effective and efficient Records Management System which is the back bone of county as it not only helps in informed

decision making but also keeps track of the happenings of the county, Training Needs Assessment (TNA) Training that enhances employee development and capacity building, Develop Human Resource Plan and Human Resource Data Bank and to conduct Culture Change programs.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 179,726,041. For the FY 2018/19, Ksh. 51,506,357 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 61,056,993 and Ksh. 67,162,691 respectively

#### D. Programme Objectives

## **8. Department of Lands, Housing and Urban Development**

### **A. Vision**

Excellence in Land Management and Provision of Excellent, Affordable and Quality Housing for sustainable development

### **B. Mission**

To facilitate improvement of livelihoods of Kenyans through efficient administration, equitable access, secure tenure, sustainable management of land resource and access to adequate housing.

### **C. Performance Overview and Background for Programmes**

The department comprises of the following five directorates; Lands, Survey, Physical Planning, Housing and urban development. The mandate of the Sector is to provide effective and efficient services on Lands, Housing and Urban Development in the County.

Land is a vital factor of production since any development occurs in a spatial environment. The department through the directorate of Lands acquired five acres of land each at Malaba and Busia (Mundika) towns. It works in conjunction with various government agencies to ensure security of tenure for both county and private lands through acquisition of titles and fencing to avoid encroachment. The directorate has facilitated acquisition of land for investment and establishment of public amenities in the 35 wards.

The Housing directorate mandate is to ensure the department avails quality and affordable housing to residents across the county. Appropriate Building and Materials Technologies (ABMT) will be rolled out. This will be through Construction of ABMT Centres which are a Kenya Vision 2030 flagship project that requires each constituency to have an ABMT centre. Trainings of locals on affordable housing using locally available materials will be done in an effort to improve access to quality housing.

The directorate of Physical Planning and Urban Management initiated development of county spatial plan in FY 2016/17 and it is intended to be completed in FY 2018/19. Upon completion and implementation, the spatial plan will direct the county spatial environment in a bid to control and direct developments in the county. It is also responsible for

management and coordination of the activities of Urban Areas and Towns. This is made possible through the Busia and Malaba town management committees.

Street lighting and mass lighting in urban centres and informal settlements is another area of priority for the department. Solar street lights have been installed in Malaba and Busia towns while Mass lighting in major trading centres in all the 35 wards has been implemented. These activities have improved security and increased the working business hours.

In FY 2018/19, the department will continue implementing its key development projects as reflected in the approved CFSP 2018. They include; Construction of governor's residence subsequently followed by the residences for the Deputy Governor and other senior government officers, refurbishment of county government houses and buildings, Installation and maintenance of mass lights in trading centers across the county

For county urban management and development, the department will undertake solid waste management services county wide, purchase skips for garbage storage and collection, construct modern retail kiosks and designate motor vehicle parking areas in major towns.

The department will also undertake preparation and automation of plot records and issuance of plot ownership documents in all market centers. It plans to prepare town development plans, carry out registration of all public land and prepare informal settlements upgrading and prevention action plan.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 897,904,192. For the FY 2018/19, Ksh. 316,698,759 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 315,313,196 and Ksh. 265,892,237 respectively

#### **D. Programme Objectives**

##### **CP 39: General Administration and support services**

To provide an effective and efficient logistical support system to improve service delivery

##### **CP 40: County Land Administration and planning**

To have sustainable land use within the county

**CP 41: Housing Development and management**

To provide adequate, affordable and quality houses and buildings for county residents

**CP 42: Urban Management and Development Control**

Well managed urban settlement

**CP 43: Other Projects**

To promote uniformity in development across the county

**E. Summary of Expenditure by Programme 2018/19-2020/21 (Kshs.)**

<b>Programme: County Land and Administration and Planning</b>					
<b>Objective: To have sustainable land use within the County</b>					
<b>Outcome: Equitable, Coordinated and sustainable Land Use</b>					
<b>Sub-Programme: Land Use and Planning</b>					
Establishment of County land Bank	Parcels of land acquired	1	1	1	2
Establishment of land use plans	No of plans developed	0	2	2	1
Surveyed public Land	No of land parcels surveyed and beacons	0	10	15	20
<b>Programme: Housing Development and Management</b>					
<b>Objective: Adequate, affordable and quality housing and buildings for County residents</b>					
<b>Outcome: Improved housing conditions and office accommodation</b>					
<b>Sub-Programme: Housing Management</b>					
Construction of appropriate building technology centre	No of ABT centres constructed	3	0	5	7
Construction of Governors residences	No of houses constructed	0	1	1	1

Major maintenance of County government houses	No of county government houses maintained	5	5	8	15
Security fencing to government compounds	No of government compounds fenced	1	1	3	6
<b>Programme: Urban Management and Development Control</b>					
<b>Objective: Well managed urban settlement</b>					
<b>Outcome: Sustainable and Live able Urban areas</b>					
<b>Sub Programme: Effective Urban Management</b>					
Preparation, Automation plot record and issuing of ownership document to plot owners at market centres.	No of Plot documents issued	0	100	120	140
County Spatial plan	No. plans developed	0	2	0	0
Development of Motor Vehicle Parking areas	No of parking areas developed	1	-	-	-
Urban street lighting	No of street lights installed	2	-	-	-
Construction of solar mass lights	No of urban centres installed with solar mass lights	73	-	-	-
<b>Sub – Programme: Urban Solid waste Management</b>					
Solid waste management	% increase in general urban cleanliness	78	87	91	97
Purchase of Skips for garbage transportation	No. of skips Purchased	0	5	10	15
<b>Sub Programme: Public Utilities</b>					
Construction of Modern Sanitation Block	No. of modern sanitation Blocks Constructed	2	3	4	6

## **9. Department of Water, Irrigation, Environment and Natural Resources**

### **A. Vision**

A clean, secure and sustainable environment

### **B. Mission**

To promote, conserve and protect the environment and improve access to clean water for sustainable development.

### **C. Performance Overview and Background for Programmes**

To effectively and efficiently offer quality service to the public, the department is segmented into four directorates namely: Water, Environment, Forest and Irrigation.

In the previous fiscal years, through the Water directorate, the department effectively implemented its projects on community water supply works (maintenance works, emergency water supply services, community water points and water supply pipeline extensions across the county).

The department has also made tremendous efforts in increasing accessibility to clean water by residents across the county. In the FY 2015/16, 2016/17 and 2017/18, a total of 89 boreholes were drilled and equipped with solar powered pumping units. In 2018/19, 30% of the department's development funds will be committed to maintenance works.

In FY 2018/19, the department has set to implement the following projects; Enhance protection of rivers with regard to intensive rehabilitation of the riparian reserve through reforestation, recovery and protection, Ensure effective liquid waste management through prevention of illegal discharge into the rivers and proper installation of sewer lines and sewer systems in urban areas and enhancing accessibility to clean, safe and affordable water through extensive installation of water pipelines across the county. The drilled boreholes and established water pumps will be upgraded to sustainable solar and electricity powered pumps.

Further on environment and natural resources management, forest cover increase through afforestation (riparian and community tree growing) and hill top rehabilitation programmes will improve existing cover to 4%. Management and protection of wetlands and water

catchment zones e.g. Sio-Siteko will ensure vegetation cover increases exponentially thereby impacting positively on climate and water quality. Formulation of policies on natural resource exploration will ensure an exhaustive data on resource availability.

Under irrigation programme the department will propagate development of both medium and domestic scale irrigation infrastructures, dams and water reservoirs which will increase arable land under crop production hence ensuring adequate food security in the County.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 1,166,626,246. For the FY 2018/19, Ksh. 539,772,460 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 298,475,612 and Ksh. 328,378,174 respectively

#### **D. Programme Objectives**

##### **CP 44: Administrative Support Services**

To improve on Policy Formulation and General Stewardship

##### **CP45: Water Supply Services**

Ensure clean water supply for industrial and domestic use

##### **CP 46: Environmental Management and Protection**

To Enhance Environmental Stewardship for Sustainable Development

##### **CP 47: Small holder irrigation and drainage infrastructure development**

To enhance sustainable small holder irrigation and drainage Systems

##### **CP 48: Forest Development and Management**

To Increase Tree/Forest Cover for sustainable development

##### **CP 49: Other Projects**

To promote uniformity in development across the county

**E. Summary of Expenditure by Programme 2018/19-2020/21 (Kshs.)**

Programme (CP)	Budget Estimates	Projection	
	2018/2019	2019/2020	2020/2021

Pollution control	% reduction in pollution	55	30	20	10
<b>Sub – Programme: Solid and Liquid waste management</b>					
Landfills development	No. of landfills developed	0	1	1	0
Dumpsites development	No. of dumpsites developed	2	2	2	1
Receptacles development	No. of receptacles developed	50	50	50	50
Markets under solid waste management contracts	No. of markets sub contacted	19	22	25	30

Skips and dustbins installed	No. of skips and bins installed	200	200	200	200
<b>Forest Development and Management</b>					
<b>Outcome: Increased forest cover</b>					
<b>Sub- Programme: Forestry and Natural Resource Management</b>					
Environmental restoration	No of hilltops rehabilitated	4	2	3	4
	No. of trees planted	26,000	10,000	10000	10000
	% increase in acreage under bamboo	40	10	15	30
	Increase in No. of tree nurseries	20	0	50	87
<b>Programme: Irrigation and drainage development</b>					
<b>Outcome: Efficient management of surface water for agricultural production</b>					
<b>Sub Programme: Smallholder Holder irrigation</b>					
Dam construction	No of dams constructed	1	1	1	2
Channels and pipeline	No of channels and pipeline works	1	0	1	2

## **10. Department of Health and Sanitation**

### **A. Vision**

A healthy, productive and internationally competitive County

### **B. Mission**

To build a progressive, sustainable, technologically-driven, evidence-based, and client-centered health system with the highest attainable standards of health at all levels of care in Busia County.

### **C. Performance Overview and Background for Programmes**

The department comprises of three directorates namely: Administration and Support services, Curative Health Services and Preventive and Health Promotion Services.

It implements its mandate through three programmes that is; General administration and support services, Curative health services, Preventive and health promotion services. These have been sub programmed into Referral services, Referral (Hospital) services, Public health systems and Primary health care with a view of fair financial distribution and function, while encouraging balanced service delivery.

Health sector is among the drivers of socio-economic change requiring huge capital outlays given its high intensive labour demand. Hence the county in collaboration with the national government and donor fund providers (DANIDA) over the years have allocated optimal funds for implementation of the planned projects and programmes.

The County has realized a transformation in the health sector due to the diligent efforts and commitment by the department to ensure effective implementation of its programmes. In terms of infrastructural development, in FY 2014/15 it spearheaded upgrading of Busia hospital to County referral status, established and constructed KMTC block before it was taken over by the national government in 2016 and upgrading of 5 dispensaries into health centre status. The county health facilities comprises of; 1 referral hospital, 6 sub county hospitals, 12 health centres, 49 dispensaries, 10 medical clinics and 3 nursing homes.

The construction, equipping and Operationalization of medical wards and theatre, has been a flag ship project for the county in the department for the past 5 year development plan (CIDP 2013-2017). These has seen improvement of in-patient services.

The department focused on increasing access to quality service delivery through operationalizing the completed health facilities and recruitment of more staff to meet the demand. Access to improved sanitation was prioritized through sanitation marketing strategy to provide access to improved sanitation in a bid to actualize sanitation rights in the constitution.

Over previous fiscal years the department invested heavily in emergency referral services through infrastructural development at Busia County referral Hospital (Accident & Emergency block, Newborn care Unit and ICU), Ambulance service; one in each Sub County Hospital. Four New theatre blocks constructed at Khunyangu, Nambale, Sio-Port and Matayos Health Centers

A county warehouse for medicines was constructed at Matayos H/C, which provides restructuring of medicine distribution system on demand basis.

In FY 2018/19 the department has prioritized the expansion of Medical wards at Nambale, Port Victoria, Kocholia and Amukura with forty (40) bed capacity including purchase of standard medical beds. It succeeded in accessing reasonable resource allocation for purchase of essential medicines and non-pharmaceuticals that has reduced presence of stock outs in health facilities.

The department will continue to embark on access to improved sanitation at community level through Sanitation marketing strategies, with partnerships at the grass roots level. African Development Bank plans to develop sewerage works at Malaba Township to benefit close to ten thousand (10,000) people, at a cost of close to Ksh. 1.8B including increased water availability.

Through Public Private Partnerships; Partners like Samsung in collaboration with AMREF health Africa are to invest Ksh.130M and 15M by K-ship in digital e-health services and sanitation upgrading in Amukura and Funyula respectively. Over 50% of the medical conditions treated at the health facilities are preventable. County sentinel HIV/AIDS prevalence is > 7 % greater than the national average of 5.6%. This will attract more efforts on behavioral change and communication.

The enactment of enabling legislation and regulations was fast tracked and the Health Financing Bill and Regulations, together with the County Public Health Act were enacted. County Health Services and Reproduction bills are to be operationalized in 2018/19.

Most health facilities exhibit deplorably state, therefore presenting unaesthetic to public opinion of government building. The refurbishment therefore is intended to make good of the face lift of the physical appearance, and good state of repair.

The department is set to implement the new government order on Noise and Air pollution control by acquiring calibrated standard equipment to monitor public noise emission to reasonable decibels and Air particulate assessments for controlled levels in the environments. Most if not all hospital facilities have damaged and uncomfortable beds for patients. The department will strive to provide standard hospital beds and face out old ones.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 5,375,360,890. For the FY 2018/19, Ksh. 1,713,638,895 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 1,744,153,345 and Ksh. 1,917,568,650 respectively

#### **D. Programme Objectives**

##### **CP 50: General Administration and Support Services**

To provide effective and efficient logistical support to improve on service delivery

##### **CP 51: Curative Health Services**

To enhance access to basic medical healthcare services

##### **CP 52 Preventive and Promotive Health Services**

To reduce the burden of disease, Injuries and mortality

##### **CP 53: Ward Development Project**

To promote uniformity in development across the county

**E. Summary of Expenditure by Programme 2018/19-2020/21 (Kshs.)**

## **11. County Public Service Board**

### **A. Vision**

A beacon of professionalism, integrity, equity and dedication to quality public service

### **B. Mission**

Provide efficient and effective professional services for the realization of Busia County and national development goals through competitive recruitment, planning, developing and managing human capital.

### **C. Performance Overview and Background for Programmes**

The sector envisions being a beacon of professionalism, integrity, equity and dedication to quality public service. To achieve its vision the sector will provide efficient and effective professional services for the realization of Busia County and national development goals through competitive recruitment, planning, developing and managing human capital.

The County Public Service Board is mandated to establish public offices, appoint and confirm persons to offices, promote public service values and principles, facilitate the development of human resource, exercise disciplinary control, and prepare regular reports.

In ensuring institutional professionalism and good governance, The Public Service Board will endeavor to promote transparency, accountability and adherence to national values and principles through enforcement of Leadership and Integrity Act, 2012, Public officers Ethics, Conduct of Public officers, Performance management systems and Training curriculum.

To Promote service delivery in the county public service, The PSB will ensure human resource requirements are addressed effectively through Developing an integrated electronic human resource database to facilitate HR Planning, Reviewing existing and develop new HRM/D policies and guidelines, Developing Human Resource in the County Public Service, Developing human resource plans for the county, Exploiting research Technology and innovation and Enhancing capacity of Board members and the Secretariat staff.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 162,638,505. For the FY 2018/19, Ksh. 49,135,500 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 54,049,050 and Ksh. 59,453,955 respectively

#### D. Programme Objectives

## **12. The Governorship**

### **A. Vision**

To be an institution of honour and excellence for a democratic and prosperous County

### **B. Mission**

To provide timely and quality services to the residents of Busia through efficient utilization of resources for the fulfilment of the Governor's mandate

### **C. Performance overview and background for programmes**

The Governorship is mandated to spearhead policy formulation; promotion of the rule of law to enhance order; resource mobilization; coordination and supervision of effective and efficient public service delivery; swift response to critical community needs during disaster occurrences; publicity, branding and public participation.

To effectively implement its mandate, the Governorship is comprised of offices of the Governor, Deputy Governor and County Secretary. To enhance service delivery, the office has three directorates namely: Public Administration, Communication and Disaster Management.

The Governor, who is the head of the County Government, chairs the County Executive Committee, which is the highest decision-making organ of the executive arm of the County Government. It's at this forum that the policy frameworks that guide the day-to-day operations of the county are formulated and equitable distribution of the county resources to all county departments, plus any other issues that positively contribute to effective and efficient public service delivery are made.

The Office of the County Secretary coordinates all the departments of the County Government and promotes effective communication of the County policies.

The directorate of Public Administration coordinates public participation to enable citizens exercise their sovereignty in policy formulation, project planning and budgeting. It also supervises effective and efficient public service delivery, promotes the rule of law and order, submit weekly status performance reports from all village, ward and sub county units across County. These include immediate reports on disaster occurrences while preparing the community on the site of disasters to take safety measures in preparation for mitigation/relief support from the county.

The office employed and trained disaster management staff, bought a modern fire engine vehicle whose capacity is 9000 litres of water and 1000 litres of foam.

It has also trained its staff in human resource management skills and performance contracting and appraisal, established a human resource advisory committee to manage human resource related issues, developed performance contracting policy and forms, and engaged the CEC members, chief officers, directors and other staff in signing performance and appraisal contracts for FY 2016/2017.

The office provided relief to communities that experienced flooding in Budalangi and all other communities living along Lake Victoria shores, resulting from the lake's backflow and others that experienced floods resulting from heavy rains in Nambale, Teso North and South sub counties. These communities were given food supplies, support to shift and settle in high areas, iron sheets, beddings and medical support.

To undertake these programmes, the 2018/19- 2020/21 MTEF estimates for the sector are projected to be Ksh 1,189,824,487. For the FY 2018/19, Ksh. 367,080,360 has been set aside for the sector. For 2019/20 and 2020/21 the projections are Ksh. 373,555,391 and Ksh. 449,188,736 respectively.

#### **D. Programme Objectives**

##### **CP 55: Administrative and support services**

To provide an effective and efficient logistical support system to improve service delivery

##### **CP 56: Disaster Risk Management**

To enhance disaster preparedness, mitigation and response

##### **CP 57: Other Projects**

To promote uniformity in development across the county
